Dear Sir:

It is respectfully requested that a Certificate of Correction be issued in connection with the above-identified patent. It appears that the error noted is a mistake of a typographical nature, and was made by the attorneys for the Applicant. The mistake was made in good faith and correction thereof would not constitute new matter or require reexamination. Accordingly, two copies of the special Certificate of Correction are attached hereto. It is believed that the error noted is an error of consequence involving claim language in claim 7 and thus warrants the granting of a Certificate of Correction. The Certificate of Correction is directed to returning this section of claim 7 to its form prior to the Amendment after Allowance filed on June 10, 2008. Specifically, the word "remove" was inadvertently chanced to the word "insert" in an Amendment after Final. This correction reverses that error.

Please charge Deposit Account No. 18-0013 the \$100.00 fee set forth in 37 C.F.R. § 1.20(a). If additional costs are required, please treat this as authorization to charge such further costs.

Dated: November 6, 2008

Respectfully submitted,

By
